ASIIS is a computer based immunization registry and tracking system implemented by the Arizona Department of Health Services and its partners. It is intended to aid health care professionals and other users who have a need to check a client's immunization status according to A.R.S § 36-135, R9-6-707, and R9-6-708. Through ASIIS, providers can place orders for publicly funded vaccines to provide to children eligible to receive VFC vaccines. Client-specific information and vaccine ordering privileges are only available to authorized users and the Arizona Department of Health Services. The Users enters into this agreement with the Arizona Department of Health Services and agree to adhere to all requirements that are listed in the *Pledge to Protect Confidential Information*.
